*Do not mail until you receive confirmation billing from Chapter office.

*Annual Directory Additional Categories
This is to be chosen if you want to be listed as anything other than your primary category. For instance, if you are listed as a General Contractor but you'd also like people to know that you do *Welding* and *Fence Repair*, you'd choose *Welding* and *Fence Repair* in order to be listed in those sections. **$200 each additional category.**
If you're not sure what your primary category is, look at your membership data from the National office.

*Annual Directory Bold Listings
This is to be chosen if you want to bold your primary listing and/or additional categories (if you've selected such above). **$200 each bold listing.**
